

If you work as a Church Administrator seeking to serve

- ***the world outside who contact you for help***
- ***your church members who make demands upon you***
- ***your Minister and staff who need your time***

... but you also have a range of tasks to complete on schedule...

... you are warmly invited to join us for this UCAN Area Training Day on

Developing our role

A valuable opportunity for Church Administrators to think through their roles, increase their effectiveness and network with others in similar positions

Thursday 17th November 2016

from 10.00 am. until 3.30 pm.

at Hexham Community Church, Beaumont Street, Hexham

Cost: £37 (includes training, lunch, materials)

Leader: John Truscott

The day is designed for members in both the North-East of England and the Carlisle area but open to any UCAN member. Non-members may attend for a £47 fee. Reductions for multiple bookings.

The aims of our Area Training Days are

- 1 To offer quality training input for Church Administrators to improve our effectiveness as church workers and develop our own skills and enthusiasm for our areas of responsibility.
- 2 To provide opportunities for networking with others in similar specialised church roles within a limited geographical area for encouragement and future contact.

Programme for the day

from 9.30 am. Arrival and coffee

10.00 Introduction to this event and to UCAN – opening Bible passage and prayer

10.15 **Why am I here?!**

John Truscott

Our first training session investigates the purpose of an Administrator appointment, the key responsibilities we may have, the expectations people have of us, the kind of people we should be, and the development we should seek. This will cover what a proper job description should look like and challenge us all as Christian disciples and as representatives of our churches.

11.30 Refreshment break and an opportunity to meet each other

12.00 noon **The role of a church office**

John Truscott

This second session considers similar issues for a church office: its role in the spiritual life of the church, the idea of a 'purpose statement' for the office, our vision for what the office might become, aims to help us work towards that, and the idea of a Planning Retreat to help us find space for this kind of big picture thinking.

1.00 pm. **Lunch** (provided)

A chance to network with those in similar positions to yours

2.00 **Learning from each other**

Options for delegates to share experiences, answer each other's problems or study and apply a relevant Scripture passage together.

3.00 **Q & A session**

Issues in our work and UCAN's purpose and activities. We finish at 3.30 pm. prompt.

UCAN has already run two series of Area Training Days around the UK but the closest events to the North-East and Cumbria have been Leeds and Manchester.

This day is being put on to encourage Church Administrators in this region to meet each other as well as receiving training input.

We hope you will attend

if you possibly can and make this event known to others in similar positions in your area. UCAN has 20 members who are being invited and we would love to see this event attracting other Church Administrators too.

UCAN seeks to promote and encourage other groups that organise Church Administrator days including national church groupings. We seek to arrange our own programme (for training and networking) not to clash with these.

Hexham Community Church

Venue

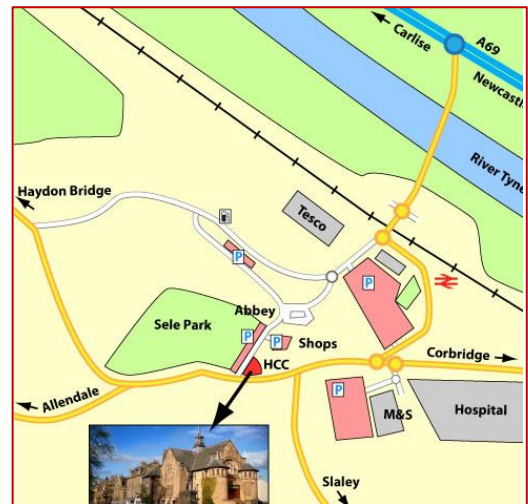

Hexham Community Church, Central Chambers,
Beaumont Street, Hexham NE46 3LS
Office Tel: 01434 601113

Location

The church building (see map) is less than half a mile from Hexham station.

Directions if coming by public transport

Trains from Newcastle run every half hour (taking 30-45 mins) and there is about one an hour from Carlisle (45-55 mins).

Directions if coming by car

Hexham is by-passed by the A69 (just visible on the map above). Come into the town across the river and railway line. Street parking is time limited so you would be advised to use one of the main car parks. Details for parking can be found at <http://www.visithexham.net/transport-parking.htm> – download the pdf map from there. The Wentworth car park is the best option if you can find spaces there in the all-day area (ensure you are in a white bay). Those who have booked will be sent a delegates' list about nine days before the event to encourage sharing car transport where possible.

Ask Pauline Woodhouse in the Church Office if you need further advice.

The cost

The fee for area events is designed to cover UCAN's time/costs in organising the days, venue, insurance and catering costs, and a fee for training input. UCAN accounts are shared with members once a year. We do not want cost to be a reason why you cannot come but we hope your church will pay for your training and travel. If there are problems, speak to John Truscott who will seek to help.

There is a discount of £5 per person for two or more people booking from the same church.

Details of UCAN

If you are not yet a member of UCAN but would like to join, visit <http://www.church-administrator.net> where you will find full details. To join online you go to the 'UCAN application to join' page and follow the instructions there. There is no annual subscription but we ask for a voluntary contribution to help cover costs. UCAN members have access to extra website pages of UCAN news, UCAN resources and the full UCAN database plus regular e-mailings.

Booking

Please book on the application form on these sheets. Invitations are going to UCAN members in the region but the day is open to everyone.

Do join us if you possibly can to increase your effectiveness and be encouraged by getting to know others. I look forward to meeting you.
